

Quality Payment Program Reporting Support

Support and Expertise from Contexture's Quality Improvement Team

The Quality Payment Program (QPP) is one of several programs that intends to change the way Medicare reimburses healthcare providers by moving toward value over volume. Our QPP Reporting Support service is aimed at quality improvement support and guidance on reporting specifications. Below are the service tiers offered for QPP Reporting Support by Contexture's Quality Improvement team:

Service Detail	Service Level Tiers					
	Gold Plus	Gold	Silver Plus	Silver	Bronze	Basic
Identify QPP Reporting Plan Determine a plan for QPP reporting in the current or coming program year	Included	Included	Included	Included	Included	Included
Meeting Review Assess progress on reporting and interoperability while providing guidance on performance improvement	Included monthly	Included monthly	Included quarterly	Included quarterly	Included quarterly	N/A
Reports Pull and aggregate quality and interoperability reports	Included monthly	N/A	Included quarterly	N/A	N/A	N/A
Cost Category In-depth review of applicable cost measures, review and analysis and basic training on Hierarchical Condition Category (HCC) codes	Included	Included	Included	Included	N/A	N/A
Review Prior-Year Results Review prior-year MIPS submission, request and review interoperability and quality reports and provide feedback	Included	Included	Included	Included	N/A	N/A
QPP Submission Support Meet with practice to support final submission to QPP; support data entry to QPP portal; support practice in keeping an audit binder for the program year	Included	Included	Included	Included	Included	Included
EHR Vendor Support Assist with many aspects of managing EHR vendor relations, including contract negotiations and new products	Included	Included	Included	Included	Included	Included

Per CMS, 2022 performance-year data will need to be reported by March, 2023. As a CMS-defined Qualified Registry for the QPP program, Contexture can also aggregate, calculate, validate and submit measures on the client's behalf with a separate fee. Contact your Contexture representative for more details.

Pricing available upon request for tiers listed above. Contact QI@contexture.org or your current Contexture representative.
