

No Fees Ever for Critical Access Hospitals and Rural Health Clinics

Our goal at Contexture is to create a connection to improve lives no matter where patients receive care. We understand the vital role rural providers play. Our commitment to the rural community is to provide our health information exchange services at no cost to increase continuity of care. This means **all our services will be free forever** for all Critical Access Hospitals and Rural Health Clinics in Colorado and Arizona.

ELIGIBILITY

- **Current HIE participant** – all fees waived effective January 2023. Contact us to add services at no cost.
- **New HIE participant** – all fees will be waived. Contact us to start working together.

Benefits of Health Information Exchange

- Cost-efficient data exchange with physicians and other clinicians
- Streamlined access to patient history information
- Reduced costs from faxing and mailing paper files
- Improved quality and coordination of patient care
