The image shows a login interface for the Contexture Help Desk. It features a dark blue background with a network of light blue lines and dots. At the top center is the Contexture logo, which consists of a green square with a white 'C' and the word 'contexture' in white, with the tagline 'Creating connections. Improving lives.' below it. Below the logo are two white input fields: the first is labeled 'Username' with a person icon, and the second is labeled 'Password' with a lock icon. Below these fields is a blue button with the text 'Log In' in white. At the bottom left of the login area, there is a link that says 'Forgot your password?'.

## Navigating the Contexture Help Desk

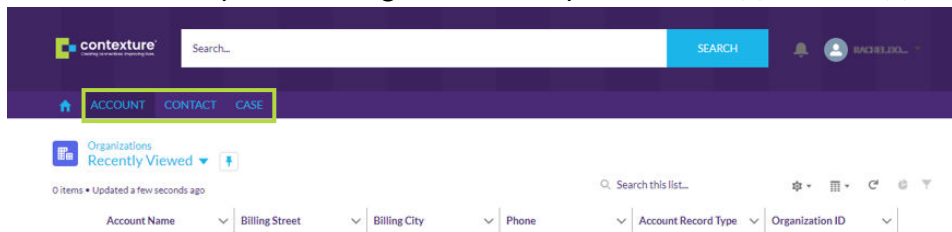

### Home Page

Once you have logged into the Help Desk, you will see this page.

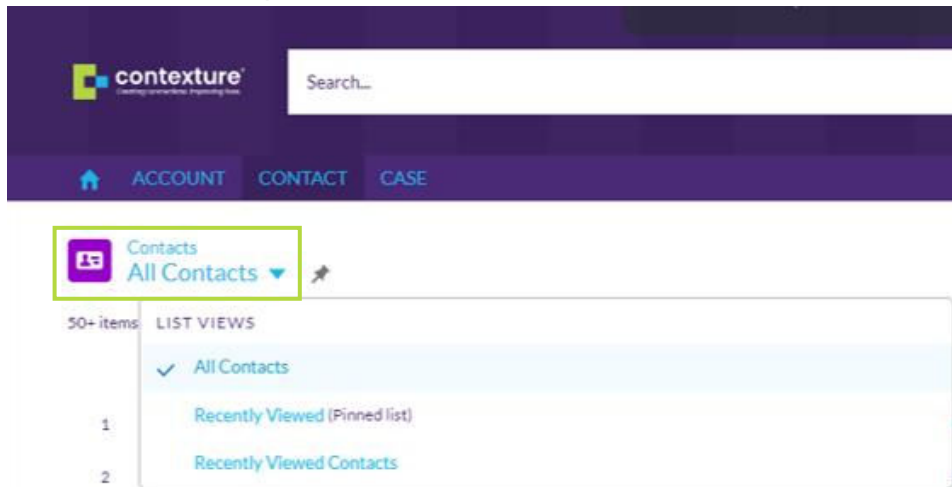

### Navigation Menu

From the menu, you can navigate between your Account(s), Contact(s), and Case(s).

The default list will be your recently viewed items.

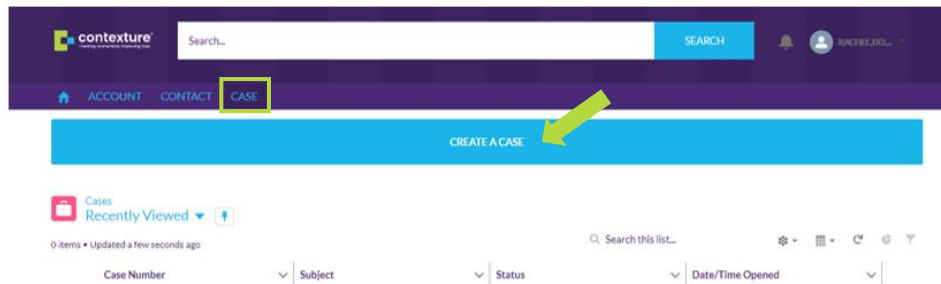

You can use the drop down to choose a different list view.

## Create a Case in the Contexture Help Desk

To create a case in the Help Desk:

- Go to the Case tab in the navigation menu.
- Next, click Create a Case.

- From there, you will enter a subject and description.
- Then, click save.

Please note, Power Users will have the ability to view other tickets entered for both the parent and child accounts, and they will have the ability to enter in tickets on behalf of others. To do this, they will have an extra field option that is not shown in this image but will allow them to enter in a contact person when entering on another user's behalf.
